

**School Community Council Meeting Minutes - Mar. 14th, 2023, 3:00 pm**  
**PJHS Library**

**Parties Present:** Kevin Mecham, Graciela Bartholomew, Sabrina Wilson, Justin Brooks, Chris Killpack,

**Parties Absent:** Jessica Serrano, Angela Christensen, Laura Wright, Tammy Halcrow, Shanna Stilson

**Pledge Recited**

**Matters discussed:**

- Safe walking routes were reviewed. The state website where the routes can be found (<https://saferoutes.utah.gov>) was explored. With the routes having been completely walked by council members last year, the council determined that next year assignments will be made to walk the routes again.
- SHARP Survey response was noted. Nearly 25% of students' families responded to the survey invitation with around 20% of respondents taking the survey. Data will be available in the fall.
- Council members discussed the Lagoon field trip planned for May 18th. Discussion ensued regarding the requirements to attend. Members decided it was appropriate to have 2 hours or less of detention time as the requirement, as well as no failing grades for 4th term.
- The School Improvement Plan final draft was reviewed by the council. It was pointed out that next year there will be a possibility of adjusting the availability of Chromebooks to classrooms rather than checking out to students individually due to the number of students coming to school unprepared (without their Chromebooks, or with them not being charged). The council also added the WIDA score as an assessment measure to be tracked. A vote was taken to ratify the proposed improvement plan for next year. Voting was unanimous in favor of the plan, yet due to several council members being unable to attend the meeting, the plan was sent to them via email with instructions to appear at the school to enter their vote over the coming week.

**Votes taken:** School Improvement Plan was unanimously accepted.

Motion to adjourn: Sabrina Wilson

Second to the motion: Justin Brooks

Next meeting is Apr. 11th, 2023 @ 3pm.
